PAUL WHELEHON, Ironton, Mo.

October has been hot and cold—summer and winter. A maximum of 87 and a minimum of 16. Can you beat it?

Lee Usher was quite badly injured last Saturday morning by a limb from a tree falling on him, near Anderson's mill, west of town.

Maurice Costello in "The Man Who Couldn't Beat Conscience," Frank Daniels in "Kernel Knutt's \$100 Bill," and Ford Weekly Saturday.

How the leaves did fall last week! The unusually heavy frost of week before last played havoc with our usually magnificent October foliage.

Robert Hill, Esq., spent a couple of days last week at the fair at Poplar Bluff as the guest of his old friend, A. Winkler. He reports a fine time.

Lost—Monday afternoon, between the Rudy farm and Ironton, a small black handbag with purse inside. Return to Bank of Ironton and receive reward.

Our venerable friend, F. Kath, celebrated his eighty-third anniversary at his home in Pilot Knob Monday. He is hale and hearty and bids fair to reach the century mark.

Big stock sale at Bellevue next Saturday. For the accommodation of those from this vicinity wishing to attend automobiles will start from the Ironton post-office in the morning.

Married—At the courthouse, Ironton, Mo., Saturday, October 20th, 1917, Gervis Parker, of Fredericktown, and Lillian Chadborn, of Lesterville, O. W. Roop, judge of probate, officiating.

The three colored men from Iron county drafted for military service will leave for Camp Funston next Saturday. They are: Jesse Brown of Arcadia and Ben Russell and Blow Martin of Ironton.

Dr. James H. Martin has given up his practice at Redmondville and will join the Medical Corps of the army. The Dr. will be commissioned as a first lieutenant and expects to be called within a month.

Report has been received from Camp Funston that the twenty-two drafted men from this county who left for that place September 21st have all passed the examination and are now in the service.

A special train of twenty cars of cattle were shipped from Iron Mountain Saturday to Boone county by Hudson & Clark. There were 504 head in the shipment, most of which were purchased from W. D. Fletcher, Ironton.

Miss Blanche Evans, Arcadia's most charming postmistress, has entered the St. Louis Republic's automobile contest. We should all take pleasure in helping Miss Blanche in any and every way we can. Send in your coupons for her.

Mr. R. P. Crow last Thursday received a postal card from his son, Alvin P., mailed at Southampton, England, October 4th, announcing his safe arrival at that port. The young man was twenty-two days on the ocean, being anchored off the coast of Nova Scotia several days.

Harry Kendall, son of Mr. and Mrs. Henry Kendall, of Ironton, who has been at Fort Leavenworth, Kansas, the past three months, left there last Wednesday, with eight other members of the signal corps, for New York, and expects to embark for France this week. We wish the young man luck, fame and fortune!

From the Bismarck Gazette: "The Board of Education on Tuesday deemed it advisable to discontinue the two lower rooms at school on account of the prevalence of scarlet fever. In addition to this the Board of health issued a warning to all children dismissed to stay on their own premises and gave instructions to Marshal Huff to see that these orders are obeyed."

Sunday next, October 28th—services in St. Paul's Church, Ironton, in the morning at 11:00 and in the evening at 7:30. The President has designated this Sunday to be observed by all patriotic citizens at a time for Intercessory Prayers that God will soon crown with victory the armies of the Allies. The services therefore will have this feature predominating. Come and do your bit and "beaige the Throne of Grace" for them, for us, and this whole land."

Y. O. POOLLEY.

Sheriff Bine was summoned to Crane Pond, twenty-two miles south of Ironton, last Thursday to make an investigation of a report of many cases of smallpox. After going over the situation and conferring with the attending physician, Dr. N. A. Farr, of Des Arc, the sheriff quarantined the following persons: Crate Jackson and son, John, Geo. W. Collins, two children of W. M. Long, Drew and Robert Seal, Edward White and Andrew Miller. The contagion is in mild form and it is hoped there will be no fatalities. The most unfortunate feature of the affair is that a great many people have been exposed to the disease and it is feared an epidemic will follow. It is proposed to enforce a most rigid quarantine henceforth. It is said the disease was brought to Crane Pond by Drew Seal, who had been working in the mines at Flat River. Forty or more cases are reported at Lesterville, Reynolds county.

From the Farmington News: "The McCarthy Construction Company was this week awarded the contract by the Bonne Terre Farming and Cattle Company for the erection of a new \$10,000 residence at Bonne Terre for former Congressman Polite Elvins. The figures were accepted by the Cattle company Tuesday and the McCarthy company will start work on the building immediately, the ground having been already staked off. The residence is to be of the Colonial type and will comprise ten large rooms with all modern conveniences. It will be located in the big lot near the St. Joseph Lead Company club which was formerly the Sheppard residence. Mr. Elvins' beautiful residence near Elvins, it will be remembered, was destroyed by fire about a year ago. Since that time Mr. Elvins and family have been residing in Bonne Terre where they decided to make their future home. The St. Joseph Lead Company, for which Mr. Elvins is attorney, recently built him a fine law office adjoining their big main office at Elvins."

Circuit court convened Monday morning. The first case on the docket was State vs. Ran Jennings, charged with the murder of Oren Greenwood at Goodwater about a year ago. Jennings was drafted and is now at Camp Funston. Under the circumstances Prosecuting Attorney Edgar deemed it best to enter a nolle prosequi. After he completes his military service another prosecution may be instituted against Jennings. A jury Monday found Fred Goodwin of Vulcan guilty of common assault and fixed his punishment at a fine of \$1 and costs. Sampson and Gordon Turner, father and son, of Bixby, pleaded guilty to violating the local option law and were each fined \$300 and costs. The former was granted a stay of execution until next term. Syl Kitchell of Annapolis pleaded guilty to violating the local option law and was fined \$300 with a stay of execution. John T. Webb pleaded guilty to an affray and was fined \$10. A jury Tuesday found Jos. H. Haven guilty of the charge of disturbing the peace of a neighborhood and was fined \$1. Court will be in session all week.

MADIGAN SAYS: "You will have no trouble with your wife about who gets up first if you have a WILSON HEATER. There is no fire to build. They hold fire. For sale at the Keen Kutter Hardware Store."

School Notes.

The boys' and girls' basketball teams of Ironton High School played the teams of Fredericktown High School at Fredericktown, last Saturday night. Leaving here at 1 o'clock P. M., the teams arrived there in time for some hard practicing before supper, when they were entertained in the homes of the Fredericktown folk.

The first game was called at 8:15 o'clock. Accustomed to their large outdoor court, the Ironton teams worked under disadvantage on the slippery floor of the study, indoor court. Spectators lined the walls, intruded on the court at will, and kept up a deafening uproar in the ears of the players. Captain Edgar was prevented from throwing one goal when two fellows attempted to cross the court during play. The boys' teams were evenly matched. They played a swift hard game of clean basket ball, tensely interesting to the finish, that called for every bit of the splendid reserve power the players possessed. At the end of the first half the score was 3 to 3; at the end of the last half it was 9 to 9. Then extra time was called by the Fredericktown referee, during which fouls were called on Ironton that netted Fredericktown two more goals. Preferring to accept without protest the referee's decision, Captain Edgar and his men played so brilliantly under the strain of the last five minutes that Fredericktown sympathizers forgot themselves and "rooted" for Ironton. The girls' teams were most unevenly matched. Fredericktown's team has members who have played together for three years. Their teamwork is almost flawless. Their forwards are practically infallible. Despite this the Ironton girls entered the game with a plucky determination to win that surprised their most sanguine friends. As the number of Fredericktown goals increased, Ironton's "pep" increased, and the last minute of play found them just as "spunky" as they ever were. The score of 37 to 5 was not so discouraging to Ironton sympathizers. Ironton has the material; they simply need practice as time will prove.

After the games a reception was accorded visitors at the High School building. Entertainment was provided and refreshments were served. The six cars of young folk and teachers from here appreciated fully their splendid entertainment. A return game will be played here November 17 and a large attendance of Ironton sympathizers is expected.

Piedmont boys' team will play here next Saturday afternoon at 2:30 P. M.

Charles Ray in "The Honorable Algy," and Fay Tinscher in "Laundry Liz" next Tuesday.

The Lutheran Church.

The congregations of Pilot Knob and Ironton will join the congregation at Farmington next Sunday, October 28, in celebrating the Quadri-Centennial of the Reformation. All interested in our services are invited to attend.

Twenty Wood Choppers Wanted.

I desire to employ twenty woodchoppers—\$1.25 a cord and pay every two weeks. Would need not be corded. Apply at once.

Jos. H. HAVEN, Graniteville, Mo.

Des Arc Items.

The largest funeral ever held in Des Arc was that of Malvin McCallister, son of Tobe McCallister, who lives on Camp Creek, near Piedmont, which occurred here Sunday. This young man is the second from Wayne county to die for his country in this war against Germany. He died of pneumonia in the hospital at Camp Funston, Kansas, where he was in military training. He was called to the service in Wayne county, September 18, and left Greenville with the first contingent. He was 22 years of age and leaves a father, three sisters and one little brother. And our hearts go out in deepest sympathy to them, especially to the invalid sister, who was unable to attend the funeral, having been ill with typhoid fever for six weeks. Rev. J. T. Collins, pastor of Lebanon church, near the home of the young man, preached the funeral at the Baptist church here. He was a member of his church, president of the B. Y. P. U. and superintendent of the Sunday School. He was an ideal Christian soldier. He died for the right. His pastor spoke in highest terms of his life as he had lived among his friends and loved ones before called away. When the call came he said to his friends, "I am ready to go," and with a bright smile he marched away, and gave his life for his country. As we viewed the remains of this brave boy, wearing the proud uniform of an American soldier, we thought he is surely a martyr. He gave his life for us and our cause, and his memory will never die. The men who sacrifice and serve are to be honored and not only did this young man make his sacrifice but so too did the fond father and loved ones make theirs. But we can only say to them that they have a great consolation in knowing that this noble boy was not only ready to die for his country, but was ready to meet his God when called to come up higher to live with Him, where there will be no more wars or disturbances to cause so much sorrow and grief in which our country is suffering to-day. Quite a crowd from Piedmont drove through in cars and a number came from Camp Creek and the country near this. Powers Bros., the undertakers from Piedmont, had charge of the funeral and two young soldiers boys, Herbert Spencer and Arthur Pratt, accompanied the body from Camp Funston. They were with the same company of boys that left Piedmont with this young man. He was in the 840th Engineer's train. The floral offerings were beautiful from the friends and loved ones, and the church was decorated in National colors and beautiful ferns in memory of our departed soldier boy. Our town flag hung at half mast while the funeral was being held and the community was in sorrow for the life of this brave boy who had made so great a sacrifice.

The Teachers' Meeting held here on last Friday afternoon was one of the most successful meetings held in Ironton this year. The teachers whose names were on the program were most all present and responded with papers and addresses on different subjects regarding their work. Superintendent Hanson was present and presided over the meeting and he made it very interesting by his suggestions and talks to the teachers. Prof. McKee had arranged a Literary Program, also the teachers in the primary department and intermediate had some good numbers on the program. The meeting was a work on display and especially did we note the drawings in the line of maps.

which was excellent work and very neatly done by the advanced pupils in Prof. McKee's room. Our school campus is kept in a neat and fine condition, and until Jack Frost made his appearance the flower beds were blooming and, with the young trees and concrete walk, we are very proud for our visitors to come and attend the meetings. Since we have plenty of room in the new building it is very convenient. Quite a number of out of town visitors were present as well as our town visitors at the meeting.

We are glad to hear from our soldier boys in France. G. W. Wallis has heard from his boys; they arrived safely and are well; also Jas. Maddock, Dennis Lovelace and Roland Stevenson are with them. Des Arc now has eight soldier boys somewhere in France.

John Stevenson went to Poplar Bluff last week.

Dr. N. A. Farr has been on the sick list.

Mrs. Walter Parker from Kansas is visiting her father, W. T. Stevenson, and family.

Mrs. Salena Sparks is visiting the family of H. G. Harrison.

Mrs. E. W. Graves entertained her niece from St. Louis last week.

Leonard Morris has purchased an automobile from Wm. Seals. We can assure him to be a fine chauffeur as he is a fine mechanic.

It is reported that Dr. C. H. Jones has the smallpox; his brother, Tom, from Ironton came down Sunday and went out to see him. He has a large practice and the community will miss his service. While he is under quarantine we hope he may soon recover. His family is with him, having driven through in their car from Ironton.

Annapolis News.

A couple of light rains the past week; very cold for the season.

John R. Harris and wife, after an absence of seven years in Ironton, have returned to Annapolis. This venerable couple have spent thirty years in Annapolis.

Jesse Clifton has been suffering from rheumatism for a time but is able to get about at present with the aid of a cane.

Syl Kitchell's family is home after a ten days' visit with relatives in Bonne Terre. Mrs. Kitchell left the little crippled girl, Edna Henson, with her brother, Jenn Campbell, for a while. Ewing Campbell brought the family from Bonne Terre to Bismarck in his automobile—seventeen miles in forty-five minutes in what he called a "slow drive."

Sam Clifton, who has been very sick with a fever the past month, is mending slowly.

There are but few people left in Annapolis this week, as all the cripples, the wise and unwise have all been put under bond, or subpoenaed to attend circuit court in Ironton, either as defendants, or witnesses in alleged violations of the local option law. Most of us thought we had a free country, but it is a mistake, especially in this county.

Lots of ties, lumber and props coming to Annapolis now. The Walsh Tie & Lumber Co. of Crane Pond are delivering their lumber and ties in Annapolis. They seem to be doing a large business and have lots of men at work out there from all parts of the state making heavy ties as well as sawed ones and paying good wages.

Wm. Funk, Jr., who has been in St. Louis at work the past month, has returned home.

Henry Lomas, who has been working at Flat River, has moved back to Reynolds county at Colyotte Hollow, near Wm. Bonds' saw mill, six miles west of Annapolis.

Lots of possum hunting hereabouts at present.

D. A. Worley has returned from Flat River, where he has been at work for some time past.

Fred Warren and family of Elvins are visiting Geo. W. Slusher and other relatives, near Annapolis.

Robert Lewis has returned from Flat River, where he has been at work for some time past.

Robert Lewis has returned from Flat River, where he has been at work for some time past.

John W. Alcorn, of near Annapolis, has bought another saw mill, near Ruble, in Reynolds county, known as the Pyles & Webb mill. He has a fine lot of timber.

The small pox situation is growing serious hereabouts. Sheriff Blue was down here last week and quarantined several parties, but it is generally thought he came too late, as too many people had already been exposed to the contagion. Several new cases are reported on Bear Branch.

Green Brewer of Black river is reported to have taken small pox. His son, Charley, came from the Lead Belt Saturday to take care of him.

Wm. Moss, wife and child are visiting relatives in Shannon county.

Chas. E. Bolch has gone to Flat River on business.

Mr. Culley of St. Louis was here Monday and sold his ten acre farm to Nathan Sutton.

Mr. Pannebaker, the tie and prop inspector, is visiting home folk, near Arcadia. Geo. W. Slusher is working in his place.

Our school is progressing nicely. Mrs. Bolch is in charge of the store in her husband's absence.

BULLETIN.

Four rooms, furnished, for light housekeeping. Apply to Mrs. C. D. Alexander, Ironton, Mo.

Joelings from Roselle.

Wheat sowing has progressed nicely the past two weeks. The greater part is now sown.

The corn crop, which is a "bumper crop," has been harvested.

The remains of Mrs. John Shaffer, nee McCallum, were interred in the family cemetery Saturday afternoon. Mrs. Shaffer died at Douglas, Wyoming, October 18th. Mrs. Shaffer, with the nurse who waited on Mrs. Shaffer during her last illness, arrived at the home of her parents, Mr. and Mrs. James McCallum, Friday, and remained there until Saturday morning, when she was interred in the family cemetery. Mrs. Shaffer was a native of Iowa and was well known in this community. She was a devoted wife and mother and was much loved by all who knew her. Her death was a great loss to her family and friends.

The "Register" Tobacco Fund for Our Soldiers in Europe

The good women of the country are knitting sweaters, socks, wristbands and all sorts of comfortable things to send to the soldiers at the front. What about tobacco? There is nothing you can think of that will give more comfort and solace to those men than tobacco.

This paper has made all arrangements to send tobacco, and not only that, but is going to send the most popular brands in this country—the kinds that many of the men have used at home and that they all know are good.

Tobacco can be sent to Europe without tax, import duty or freight. Through the generosity of leading tobacco manufacturers we are enabled to send 50c worth of smoking tobacco, chewing tobacco or cigarettes for 25c.

It will be worth many quarters to receive grateful acknowledgement of your donation from some soldier at the front. A return post card stamped and addressed to you will be placed in each package you donate.

Send us a quarter if that is all you can spare, or more if you can spare it. This is a time to make sacrifices for the comfort of those who are risking their lives. Send one dollar, ten dollars, or one hundred dollars if you can spare it. There won't be any too much tobacco to go around. The names of all those who make donations and the amounts donated will be published in this newspaper from time to time.

Cut out the form below, fill it out for as liberal an amount as you can afford and send to us with your contribution without delay as it is important to get tobacco to the other side as quickly as it can be done.

Publisher IRON COUNTY REGISTER, Ironton, Mo.:

In accordance with your offer to send popular brands of tobaccos and cigarettes to our soldiers in Europe in units of 50c packages, each for 25c, I enclose \$\_\_\_\_\_ and will thank you to send the kinds I have marked below and enclose in each package a stamped return post card addressed to me.

..... 25c pkg. No. 1. Popular cigarettes having retail value of 50c.

..... 25c pkg. No. 2. Popular pipe tobacco having retail value of 50c.

..... 25c pkg. No. 3. Popular cigarette tobacco having retail value of 50c.

..... 25c pkg. No. 4. Popular plug chewing tobacco having retail value of 50c.

sympathetic crowd in attendance on her funeral. Prior to her marriage, some four years ago, she was engaged in teaching for several years and was held in very high esteem as a teacher. Mr. Shaffer, on account of business affairs, will return to Wyoming about ten days. He will leave his baby girl, three weeks old, in care of her aunt, Miss Oma McCallum. The family, and especially Mr. Shaffer, have the heartfelt sympathy of the community.

The public school and singing class will give a box and pie supper, Saturday night, November 3d. The public is cordially invited. Besides the supper, a short program, consisting of songs, recitations and spelling, will be rendered.

The ordinance of baptism was administered to four converts the second Sunday of this month, Rev. J. H. Calvert officiating. That evening Mr. Calvert tendered his resignation as pastor of Graniteville church. He has served the church most faithfully the past six years and the congregation was loth to part with him. The good work he accomplished here will be a lasting monument to him.

The Rev. Pogue filed his regular appointment at Bethany church the third Saturday and Sunday. S. B. C.

Family Enrollment Campaign.

At a meeting of the Iron County Committee to conduct the Family Enrollment Campaign for the U. S. Food Administration, held in Superintendent Hanson's office in the Courthouse Monday afternoon, the following Chairmen and Vice-Chairmen were selected for various sections of the county:

**MAXWELL**

Most Miles per Gallon

Most Miles on Tires

We used to say:

"The Maxwell's real greatness is on the inside—the mechanical parts you can't see."

But the wonderful new 1918 Maxwell has just been delivered to us.

Now we've changed our tune.

Today we say:

"The Maxwell is great inside and out—great in EVERY POSSIBLE way."

Always the most efficient—most economical light car built, the Maxwell now has—

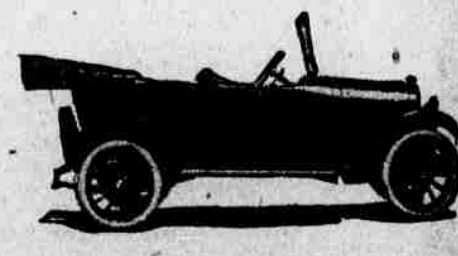

A 6-inch longer wheel base, making it larger and roomier.

Heavier and more rigid frames—6 inches instead of 3 inches deep—and yet is 50 pounds lighter.

Compensating underslung rear springs—the last word in spring suspension at any price.

A sloped windshield—style of body equal to the highest priced cars.

Friends, the 1918 Maxwell is the best looking, best built car for the money we ever saw!

Every one who knew Pearl loved her. Her teacher dismissed school and with her schoolmates attended her burial. The children sang some hymns and read the Bible. The words of comfort, then they lay her body in the grave and were saying to her loved ones:

"The beloved child has been laid to rest and her body is now at rest. We will miss her at morning and night, but we weep o'er her loss now and then. In Heaven we will see her again so bright. We will meet our dear Pearl again."

One dear little Pearl was a victim of pneumonia; for five days she suffered, then looking up at her weeping mother she said: "It will soon be over, it is so easy." And she lay still. Her mother and father and all her loved ones were with her. She was a sweet little girl, full of life and love. She was a great favorite in her home and school. Her death was a great loss to her family and friends.
